RE: Nevada Environmental Laboratory Certification 2-month Extension.

Dear Sir or Madam:

Since our application was not available in a timely manner the State of Nevada is extending your laboratory's 2010-2011 Nevada scope until September 30, 2011. We have received your application. Once you have been invoice and we receive your fees we will issue either a 1 year extension or your 2011-2012 scope.

This will serve as official notice to you and your clients.

**Be advised this letter is only valid as long as your laboratory maintains compliance with State of Nevada regulation NAC 445A.0552 to .067, NAC 445A.542 to .54296 and/or NAC 459.96902 to .9699.**

Failure to do so will result in invalidation of any data submitted to the Nevada Department of Environmental Protection.

If you or your clients have any questions please contact Donald LaFara at 775-687-9491.

Sincerely,

---
